INSTRUCTIONS FOR FORM L-1040X, LANSING AMENDED INDIVIDUAL INCOME TAX RETURN

GENERAL INSTRUCTIONS

Use form L-1040X to correct Form L-1040 or Form CF-1040 for Lansing. Form L-1040X will be your new tax return, changing your original return to include new information and/or corrections to the information on the original return filed. The entries you make under the columns headed *Correct amount* or *Correct number or amount* are the entries you would have made on your original return had it been done correctly.

To complete form L-1040X you will need:

- Form L-1040X and these instructions;

If you also filed a federal amended return, Form 1040X, you will need to attach a copy of the federal Form 1040X.

File a separate form L-1040X for each year you are amending. If you have filed (or are filing) an amended federal or Michigan return, you may also need to file an amended Lansing return.

WHO MUST FILE AN AMENDED RETURN

An amended return is required to be filed to report corrections to taxable income, deductions or exemptions that result in additional tax due or an overpayment of tax to be claimed as a refund or credit. If an audit by the Internal Revenue Service or the Michigan Department of Treasury results in a federal or state tax liability that also affects a taxpayer's Lansing income tax liability, an amended return is required to be filed within 90 days from the date of the final federal or state tax determination.

A taxpayer is not allowed to change their method of accounting or method of apportionment of net profits after the due date, or the extended due date, for filing the original return. An amended return is not required when the Income Tax Department adjusted your return and informed you of the correction.

WHEN TO FILE AN AMENDED RETURN

File Form L-1040X only after you have filed your original return for the tax year. For a credit or refund Form 1040X must be filed within 4 years of the due date.

INTEREST AND PENALTY

Interest is due on taxes not paid by the original due date even if you had an extension of time to file the return. Penalty for late payment of tax (tax not paid by the original due date) may be assessed.

DECEASED TAXPAYER

If filing Form L-1040X for a deceased taxpayer, enter "Deceased," the deceased taxpayer's name, and the date of death across the top of Form L-1040X, page 1.

If you are filing a joint return as a surviving spouse, enter "Filing as surviving spouse" in the area where you sign the return. If someone else is the personal representative, he or she must also sign.

Claiming a refund for a deceased taxpayer. If you are filing a joint return as a surviving spouse, you only need to file Form L-1040X to claim the refund. If you are a court-appointed personal representative or any other person claiming refund, file Form L-1040X and attach a copy of federal Form 1310, Statement of Person Claiming Refund Due a Deceased Taxpayer.

Line 24e – Total Payments and Credits

AMOUNT YOU OWE OR YOUR OVERPAYMENT

The purpose of this section is to figure the additional tax you owe or excess amount you have paid (overpayment). All of your payments (for the tax year you are amending) received up to the date of this amended return are taken into account, as well as any overpayment on your original return or after adjustment by the Lansing Income Tax Division.. It is as if you were using the new information to complete your original return. If the results show a larger overpayment than before, the difference between the two becomes your new overpayment. You can choose to receive the overpayment as a refund or apply it to your estimated tax for the following year. It can be used by the City of Lansing Income Tax Division to pay other Lansing income tax debts that still exist. If the results show that you owe, it is because you do not have enough additional withholding or because filing your original return with the information you have now would have resulted in a smaller overpayment or a balance due.

Line 25 – Overpayment as Shown on Original Return or Previously Adjusted

Enter the overpayment as shown on your original return, or as previously adjusted by the Income Tax Department.

Line 26 – Adjusted Payments and Credits

Enter the total of line 24e less line 25. If less than zero (0), see line 27 instructions.

Line 27 – Amount You Owe

If line 25 is larger than line 24e, line 26 will be negative. You owe additional tax. To figure the amount owed, treat the amount on line 26 as positive and add it to the amount on line 23 and enter the result on line 27. If line 26 is zero (0), enter the amount from line 23. Otherwise leave this line blank.

To pay by check or money order, send your signed Form L-1040X with your payment for the full amount payable to "Lansing City Treasurer." Do not send cash. Do not attach your payment to Form L-1040X. Instead, enclose it in the envelope with your amended return. On your payment, put your name, address, daytime phone number, and SSN. If you are filing a joint amended return, enter the SSN shown first on the return. Also, enter the tax year and type of return you are

amending (for example, "2011 Form L-1040"). The city will figure any interest or penalty due and send you a bill.

If you elected to apply any part of an overpayment on your original return to your next year's estimated tax, you cannot reverse that election on your amended return.

Line 28 – Overpayment

If line 26 is larger than zero (0) and more than line 23, column C, your tax is overpaid; enter the overpayment, line 26 less line 23.

Line 29 – Amount of Overpayment to be Applied as a Credit

Enter on line 29 the amount, if any, of your overpayment from line 28 you want applied to your estimated tax for next year. Also, enter that tax year in the box indicated. You will be notified if any of your overpayment was used to pay past due Lansing income tax, so you will know how much was applied to your estimated tax.

Line 30 – Amount of Overpayment to be Refunded

Enter the portion, or all, of the amount of overpayment on line 28 you want to receive as a refund. If your overpayment is not used to pay past due Lansing income tax, **the refund amount on line 30 will be sent separately from any refund you claimed on your original return.**

You will receive a check for any refund due to you. A refund on an amended return **cannot** be deposited directly to your bank account.

PART I – DEDUCTIONS SCHEDULE

If you are changing any of the deductions claimed on your original return, you must complete Part I, Deductions Schedule. The only exception is for part-year residents or other taxpayers required to use Schedule TCX to compute taxable income and tax. Part-year residents amending a return must use the deductions schedule on Schedule TCX. Use column A to report the amounts from your original return, column B to report any changes and column C to report the correct amount. If you have questions about the deduction, refer to the instructions for the tax year you are amending.

PART II – EXEMPTIONS SCHEDULE

Lines 1 through 4 – Personal and Dependent Exemptions

If you are changing the number of exemptions claimed on your return, complete lines 1 through 5. If necessary, complete line 7. Enter the totals on line 6 and also on page 1, line 21, columns A, B and C. Dependents claimed on your original return who are still being claimed on this return, and

- Dependents not claimed on your original return who are being added to this return.

If you are now claiming more than eight dependents, attach a separate statement with the required information.

Column (c). You must enter each dependent's social security number (SSN). Be sure the name and SSN entered agree with the dependent's social security card. Otherwise, at the time we process your return, we may disallow the exemption claimed for the dependent.

PART III – EXPLANATION OF CHANGES

The Income Tax Division needs to know **why** you are filing Form L-1040X. For example, you:

- Received another Form W-2 after you filed your return,
 - Forgot to claim the IRA deduction.
 - Were audited by the IRS and the adjustments made by the auditor are noted in the attached copy of the Revenue Auditors Report.
- Paid Preparer.** Generally, anyone you pay to prepare your return must sign it and include their Preparer Tax Identification Number (PTIN) in the space provided. The preparer must give you a copy of the return for your records. Someone who prepares your return but does not charge you should not sign.

Assembling Your Return. Assemble any schedules and forms behind Form L-1040X in line number order. If you have supporting statements, arrange them in the same order as the schedules or forms they support and attach them last. Do not attach correspondence or other items unless required to do so.

FORM L-1040X, PAGE 3, INSTRUCTIONS

Attach to the front of Form L-1040X:

- A copy of any Forms W-2, W-2C (a corrected Form W-2);
- A copy of any Form W-2G and Form 1099-R that support changes made on this return.

If you owe tax, enclose (do not attach) your check or money in the envelope with your amended return. See the instructions for line 27.
